December 27, 2020

This past year has been full of hardship and uncertainty. The global pandemic has affected us all personally and throughout our communities. The hardest hit is our youth. To support the youth in our community, the Elora Meadows Association, has spearheaded the development of an outdoor recreation initiative. Our plan is to construct an outdoor skating rink that can be used for hockey and ice skating in the winter and ball hockey and basketball in the summer.

The Elora Meadows Association, who is made up of people in the Elora Meadows neighbourhood, seek to help the youth by providing an outdoor recreational area that promotes physical and mental well-being. With everything going on around us we are hoping this can bring some happiness and enjoyment for our children. For some it could be the only place they see familiar faces at a safe social distance. It is everyone's desire to create a safe, and inclusive rink for all.

While we already raised \$3600.00 from donations by our generous neighbourhood, we still have a lot to accomplish. We need your support to purchase the materials needed to complete this project. Our goal is \$15,000.

Would you consider donating to help us achieve our mission?

We would be happy to provide you with more information about how your company can help the Elora Meadows Association. For more information, please contact **Warren Ziegler** at ziggy600f4@msn.com. If you wish to financially contribute, please contact **Dave May** at **416-606-8794** or em.recfinance@gmail.com. Onsite billboard advertising and social media promotional features will be offered for those that wish to contribute.

Please join us! With your donation, we are one step closer to achieving our mission!
